Please note – Brass Cleaning is usually done on the 4th Wednesday of the month, after the Morning Mass or Eucharistic Service, which is normally held at 9.00am. Variations sometimes happen because of Funeral Services or School Masses. Re-arrangements are made on an as-required basis.

If you would like to help with Brass Cleaning, please contact Kath Flanagan.

Please bring along a friend or two – many hands make light work

PS – Men are welcome to come along and join the teams! We are an equal opportunity organisation.
