**Church Social Distancing:** Thank you to you all for being so understanding in regard to the limited numbers able to attend church. Our intention is to welcome as many people as is safely possible. If you attend and are unable to gain access we will reserve a place for you the following week providing you have given us contact information. I hope this system works fairly so as to enable those who wish to attend Mass to at least be able to attend Mass fortnightly.

**Wearing of Masks in church:** The Government have said that masks should be worn in all enclosed public spaces **including church** except for those people with medical exemptions. Thank you.

**Servers:** If any servers would like to serve at Mass please contact Iwan Cotgreave on 463186 or on his email which is icotgreave@aol.com  
 We can accept up to 5 servers at Mass incorporating social distancing.
